## High School Driver Education

Taking the course through your local high school Some school districts offer driver's education classes as part of high school curriculum.. The DMV will provide the affidavit. An approved driver's education course through your high school or college consists of: 24 hours of classroom training.. (Contact Information listed below) Please visit High School Sites for information on Driver's Education.. Visit the Driver's Education site for your school for registration information **IF YOU HAVE SPECIFIC QUESTIONS REGARDING THE COURSE PLEASE CHECK THE SCHOOL'S WEBSITE OR CONTACT THE SITE COORDINATOR FOR THAT SCHOOL..** 24 hours of behind-the-wheel instruction A student applying for a driver education permit must provide written verification to the Ada County License Examiner from his/her school, that he/she is enrolled in school and meets the school's attendance requirements.. Home-schooled students will require an affidavit which must be signed by their parents.

These classes may also be offered during summer school A few of the negatives associated with classroom instruction include: Rigid time schedules.
